

Metrics Monthly Bulletin : June 14, 2018

Spotlight on: Sexual and Reproductive Health and Rights (SRHR)

MEMBER SPOTLIGHT

[Plan International Canada](#), a recognized leader in gender equality and global health, has programming focused on adolescent SRHR. This programming includes quality, adolescent-friendly and gender-responsive sexual and reproductive health education and services and the protection and promotion of sexual and reproductive rights; providing services in prevention, care and support for those living with HIV; and challenging beliefs and attitudes that maintain unequal power relations between sexes. Learn more about some of Plan International Canada's [recently launched SRHR projects](#), which run until 2022.

LEARN MORE

Stay tuned for a for a summary of outcomes emerging, including details on discussions around measuring impact coming out of the June 4-5 meeting of the Future Planning Initiative (Action Canada for Sexual Health and Rights, IDRC, Oxfam Canada, Inter Pares, Global Canada, and CanWaCH) in Ottawa.

Apply today: Request for Proposals. With support from Global Affairs Canada, CanWaCH is establishing the first [Canadian Collaborative for Global Health](#) to address urgent data challenges. Proposals are due on **Thursday, June 28 at 5:00 PM ET.**

Get involved: Looking for a list of key international days and activities related to SRHR? [Visit Reproductive Health Matters for a full calendar of events and conferences.](#)

Learn what Canadian actors are doing to address sexual and reproductive health and rights (SRHR) around the world on our [Project Explorer](#).
